Guidelines for Sponsors

Thank you for your interest in partnering with Total Rewards Association of South Florida (TRASF) TRASF in a sponsorship opportunity. Sponsorships supports our mission to serve our membership and the HR community at large, delivering programming to further professional development and networking objectives.

Total rewards encompasses six components: compensation, benefits, work-life effectiveness, recognition, performance management and talent development that collectively define an organization's strategy to attract, motivate, retain and engage employees.

Together, these components represent the tool kit from which an organization chooses to offer and align a value proposition that results in satisfied, engaged and productive employees who, in turn, create desired business performance and results.

Virtual Sponsorship Guidelines & Criteria:

- Sponsors must provide, content, logo, head shot of speaker and completed application. Speaker must log on 15 minutes prior to virtual event.
- Sponsorship is open to companies that meet our criteria; and whose services and/or products have appeal and value to TRASF's membership and the employee population they serve.
- Priority will be given to sponsors that reinforce TRASF's mission and whose products or services address a common need of the membership in the field of compensation, benefits, and/or total rewards; and the field of employee motivation, morale and behavior related to compensation, benefits, and total rewards.
- Sponsorships related to candidates running for office or political organizations cannot be fulfilled.
- TRASF cannot promote, acknowledge exclusivity, or recommend a sponsor or their products or services. We can acknowledge a sponsor's contribution or "support".
